SUMMARY

Computer Science undergraduate at **International Islamic University Chittagong (IIUC)**, specializing in full stack web development with the **MERN stack**. Remote freelancer on Fiverr, delivering responsive and dynamic web solutions. Passionate about technology, teamwork, and contributing to volunteer initiatives. Quick learner with a strong drive to grow and tackle new challenges.

SKILLS

- **Languages:** JavaScript,TypeScript , HTML5, CSS3, SQL, C/C++,Python
- **Technologies:** React.js,Next.js, Node.js, Express.js, MongoDB, Docker, Git, Tailwind CSS, Bootstrap
- **Other:** UI/UX Design, Machine Learning, Cyber Security, MS Word, PowerPoint, Photography

PROJECTS

Next.js	**Enlighten language platform**	enlighten-language-platform.vercel.app

Language exchange platform with real-time chat, group conversations, and cultural exchange features. Built using Next.js, Tailwind CSS, Redux, Express.js, and Socket.IO.

Next.js	**Personal Portfolio & Blog**	www.mhadnan.com

A professional personal website to showcase projects, technical blogs, and achievements. Developed with Next.js for fast rendering, Tailwind CSS for modern responsive design, and Three.js for interactive 3D animations. Fully optimized for SEO, mobile responsiveness, and cross-browser compatibility.

MERN	**Real-Time Chat Application**	chat-app-adnan.netlify.app

A real-time messaging application with secure user authentication, one-to-one and group chats, and message history storage. Implemented instant communication using Socket.IO, and integrated MongoDB for persistent data storage. Built with React.js (frontend), Node.js + Express (backend), and deployed for scalable use.

EDUCATION

2021 – 2025	**Bachelor of Science in Computer Science & Engineering (CSE)** International Islamic University Chittagong (IIUC)
2017 – 2019	**Higher Secondary Certificate (HSC)** BAF Shaheen College, Chattogram
